160 Hour – Class A Commercial Driver Program

West Sacramento Campus

Complete Rates (includes data for the two calendar years prior to reporting): The completion rates for the Program, as calculated pursuant to California Education Code Section 94919(a), are as follows:

Calendar Year	Number of Students Who Began Program ¹	Students Available for Graduation ²	Graduates ³	Completion Rate ⁴
2014	98	98	91	93%
2015	112	106	95	89%

Students Completing After Published Program Length - 150% Completion Rate

Calendar Year	Number of Students Who Began Program	Students Available for Graduation	150% Graduates ⁵	150% Completion Rate ⁶
2014	98	98	0	0
2015	112	95	0	0

Initials: _____ Date: _____ I have read and understand the above completion rates.

¹ The number of students who began the Program who were scheduled to complete the Program within the specified calendar year.

² Students who began Program, minus Students Unavailable for Graduation. Students Unavailable for Graduation include students who died, were incarcerated, or were called to active military duty.

³ Students who began the Program and completed the Program within 100% of the published length of the Program.

⁴ Graduates, divided by the number of Students Available for Graduation.

⁵ Number of students who completed the program within 101-150% of the published program length.

⁶ Number of students who completed the Program in the reported calendar year within 101-150% of the published Program length divided by the Number of Students Available for Graduation in the published Program length period.

Placement Rates (includes data for the two calendar years prior to reporting): The job placement rates for the Program, calculated pursuant to California Education Code Section 94929.5, are as follows:

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment ⁷	Graduates Employed in the Field ⁸	Placement Rate Employed in the Field ⁹	Graduates Employed in the Field an average of less than 32 hours per week	Graduates Employed in the Field at least 32 hours per week
2014	98	91	91	68	75%	N/A	68
2015	112	95	87	71	82%		71

Initials: _____ Date: _____ I have read and understand the above Placement Information.

⁷ Graduates, minus the Graduates Unavailable for Employment. Graduates Unavailable for Employment refers to students who, after graduation, died, were incarcerated, were called to active military duty, were international students who left the United States or do not have a visa allowing employment in the United States, or continued their education at a postsecondary institution that was either accredited by an agency recognized by the US Department of Education (ED) or approved by the California Bureau for Private Postsecondary Education ("Bureau").

⁸ Graduates with respect to whom the School received reports that they were gainfully employed within six months of graduation from the Program in a position for which the Program helped them prepare for such positions. These Graduates may have obtained employment in the Field prior to enrolling in the Program, while enrolled in the Program or after graduating from the Program. A list of the titles of the Positions can be obtained from the Career Services Department at the School.

⁹ Rate that is calculated by dividing the Graduates Employed in the Field by the Graduates Available for Employment.

Licensure Rates

License Examination Passage Rates (continually administered tests).

Based on students completing the Program within 150% of the published Program length in the report year.

Calendar Year	Number of Students taking the Exam¹⁰	Number of Students who Passed Exam¹¹	Number of Students who Failed Exam	Pass Rate¹²
2014	91	74	17	81%
2015	95	76	19	80%

Initials: _____ Date: _____ I have read and understand the above licensure rates.

¹⁰ Number of students who completed the Program within 150% of the published Program length and who took the Exam in the reported calendar year for the first time.

¹¹ Number of students who took and passed the licensing exam in the reported calendar year on the first attempt.

¹² Calculated by dividing the number of graduates who pass the exam the first time that they take it, by the number of graduates who took the licensing exam for the first time after completion of the Program.

Salary and Wage Information: Pursuant to California Education Code Section 94910, the salary information reported to the School by the Graduates employed in the Field and/or their employers is as follows:

Because of the change in the Bureau's reporting regulations, which became effective on July 14, 2016, this institution was not required to collect the data for its 2015 and prior graduates.

Calendar Year	Graduates Available for Employment	Graduates Employed in Field	Annual Salary and Wages Reported by Graduates Employed in Field ¹³				Students Not Reporting Salary
			\$20,000 to \$25,000	\$25,001 to \$30,000	\$30,001 to \$35,000	\$35,001 to \$40,00	
2014	91	68	3	21	16	14	14
2015	N/A	N/A	N/A	N/A	N/A	N/A	N/A

Salary and Wage Information - Not Applicable

Neither the institution, nor representatives of the institution, make any expressed or implied claim about the salary that may be earned after completing the education Program. (Reference: 94910 (d) (1) Salary or wage information, as calculated pursuant to Article 16 (Commencing with section 949928), if the institution or a representative of the institution makes any express or implied claim about the salary that may be earned after completing the education Program.)

Student's Initials

¹³ Approximate annualized salary reported to the School by the student, and excludes other factors that may be part of employee compensation, such as bonuses, incentives and the value of employee benefits. Variables that may affect the amount of the salaries with respect to the Graduates Employed in the Field include, without limitation: (a) each of those graduates' prior experience, performance, work history, work ethic, seniority and/or education; (b) the size of the employer; (c) the industry; (d) the location; and (e) the type of work. A list of the employers of the Graduates Employed in the Field can be obtained from the Career Services Department at the School. Salary information may not have been reported to the School with respect to total of the Graduates of Employed in the Field.

The School DOES NOT make any promise or representation whatsoever to any student or graduate: (1) that the student or graduate will obtain any employment, whether part-time, graduate, education-related, in a field involving the student's Program of study or otherwise, or (2) regarding any career opportunity, position, salary level and/or job title in any employment the student or graduate may obtain whether during school, upon graduation or in future years.

If you have any questions about how the data reflected on the above charts was gathered or if you want a list of employment positions determined to be within the field for any specific program for which statistics are reported above, please speak with an Admissions Representative.

This Fact Sheet is filled with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam pass rates, this Fact Sheet contains the information as calculated pursuant to State law.

Any questions a student may have regarding this Fact Sheet that have not been satisfactorily answered by the Institution may be directed to the Bureau for Private Postsecondary Education at P.O. Box 980818 West Sacramento, CA 95798-0818, www.bppe.ca.gov, P: 888.370.7589 or 916.431.6959, F:916.263.1897.

2014-2015

West Sacramento Campus

640 Hour – Class A Master Commercial Driver Program

PERFORMANCE FACT SHEET
CALENDAR YEARS 2014 & 2015

640 Hour – Master Commercial Vehicle Driver Program

West Sacramento Campus

Complete Rates (includes data for the two calendar years prior to reporting): The completion rates for the Program, as calculated pursuant to California Education Code Section 94919(a), are as follows:

Calendar Year	Number of Students Who Began Program ⁵³	Students Available for Graduation ⁵⁴	Graduates ⁵⁵	Completion Rate ⁵⁶
2014	5	5	4	80%
2015	0	0	0	N/A

Students Completing After Published Program Length - 150% Completion Rate

Calendar Year	Number of Students Who Began Program	Students Available for Graduation	150% Graduates ⁵⁷	150% Completion Rate ⁵⁸
2014	5	5	0	0
2015	0	0		

Initials: _____ Date: _____ I have read and understand the above completion rates.

⁵³ The number of students who began the Program who were scheduled to complete the Program within the specified calendar year.

⁵⁴ Students who began Program, minus Students Unavailable for Graduation. Students Unavailable for Graduation include students who died, were incarcerated, or were called to active military duty.

⁵⁵ Students who began the Program and completed the Program within 100% of the published length of the Program.

⁵⁶ Graduates, divided by the number of Students Available for Graduation.

⁵⁷ Number of students who completed the program within 101-150% of the published program length.

⁵⁸ Number of students who completed the Program in the reported calendar year within 101-150% of the published Program length divided by the Number of Students Available for Graduation in the published Program length period.

Placement Rates (includes data for the two calendar years prior to reporting): The job placement rates for the Program, calculated pursuant to California Education Code Section 94929.5, are as follows:

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment ⁵⁹	Graduates Employed in the Field ⁶⁰	Placement Rate Employed in the Field ⁶¹	Graduates Employed in the Field an average of less than 32 hours per week	Graduates Employed in the Field at least 32 hours per week
2014	5	4	4	4	100%	N/A	4
2015	0	0	0	0	N/A	N/A	N/A

Initials: _____ Date: _____ I have read and understand the above Placement Information.

⁵⁹ Graduates, minus the Graduates Unavailable for Employment. Graduates Unavailable for Employment refers to students who, after graduation, died, were incarcerated, were called to active military duty, were international students who left the United States or do not have a visa allowing employment in the United States, or continued their education at a postsecondary institution that was either accredited by an agency recognized by the US Department of Education (ED) or approved by the California Bureau for Private Postsecondary Education ("Bureau").

⁶⁰ Graduates with respect to whom the School received reports that they were gainfully employed within six months of graduation from the Program in a position for which the Program helped them prepare for such positions. These Graduates may have obtained employment in the Field prior to enrolling in the Program, while enrolled in the Program or after graduating from the Program. A list of the titles of the Positions can be obtained from the Career Services Department at the School.

⁶¹ Rate that is calculated by dividing the Graduates Employed in the Field by the Graduates Available for Employment.

Licensure Rates

License Examination Passage Rates (continually administered tests).

Based on students completing the Program within 150% of the published Program length in the report year.

Calendar Year	Number of Students taking the Exam⁶²	Number of Students who Passed Exam⁶³	Number of Students who Failed Exam	Pass Rate⁶⁴
2014	4	4	0	100%
2015	0	0	0	N/A

Initials: _____ Date: _____ I have read and understand the above licensure rates.

⁶² Number of students who completed the Program within 150% of the published Program length and who took the Exam in the reported calendar year for the first time.

⁶³ Number of students who took and passed the licensing exam in the reported calendar year on the first attempt.

⁶⁴ Calculated by dividing the number of graduates who pass the exam the first time that they take it, by the number of graduates who took the licensing exam for the first time after completion of the Program.

Salary and Wage Information: Pursuant to California Education Code Section 94910, the salary information reported to the School by the Graduates employed in the Field and/or their employers is as follows:

Because of the change in the Bureau's reporting regulations, which became effective on July 14, 2016, this institution was not required to collect the data for its 2015 and prior graduates.

Calendar Year	Graduates Available for Employment	Graduates Employed in Field	Annual Salary and Wages Reported by Graduates Employed in Field ⁶⁵				Students Not Reporting Salary
			\$20,000 to \$25,000	\$25,001 to \$30,000	\$30,001 to \$35,000	\$35,001 to \$40,00	
2014	4	4	0	1	1	0	2
2015	N/A	N/A	N/A	N/A	N/A	N/A	N/A

Salary and Wage Information - Not Applicable

Neither the institution, nor representatives of the institution, make any expressed or implied claim about the salary that may be earned after completing the education Program. (Reference: 94910 (d) (1) Salary or wage information, as calculated pursuant to Article 16 (Commencing with section 949928), if the institution or a representative of the institution makes any express or implied claim about the salary that may be earned after completing the education Program.)

Student's Initials

⁶⁵ Approximate annualized salary reported to the School by the student, and excludes other factors that may be part of employee compensation, such as bonuses, incentives and the value of employee benefits. Variables that may affect the amount of the salaries with respect to the Graduates Employed in the Field include, without limitation: (a) each of those graduates' prior experience, performance, work history, work ethic, seniority and/or education; (b) the size of the employer; (c) the industry; (d) the location; and (e) the type of work. A list of the employers of the Graduates Employed in the Field can be obtained from the Career Services Department at the School. Salary information may not have been reported to the School with respect to total of the Graduates of Employed in the Field.

The School DOES NOT make any promise or representation whatsoever to any student or graduate: (1) that the student or graduate will obtain any employment, whether part-time, graduate, education-related, in a field involving the student's Program of study or otherwise, or (2) regarding any career opportunity, position, salary level and/or job title in any employment the student or graduate may obtain whether during school, upon graduation or in future years.

If you have any questions about how the data reflected on the above charts was gathered or if you want a list of employment positions determined to be within the field for any specific program for which statistics are reported above, please speak with an Admissions Representative.

This Fact Sheet is filled with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam pass rates, this Fact Sheet contains the information as calculated pursuant to State law.

Salary information may not have been reported to the School with respect to total of the Graduates of Employed in the Field.

The School DOES NOT make any promise or representation whatsoever to any student or graduate: (1) that the student or graduate will obtain any employment, whether part-time, graduate, education-related, in a field involving the student's Program of study or otherwise, or (2) regarding any career opportunity, position, salary level and/or job title in any employment the student or graduate may obtain whether during school, upon graduation or in future years.

If you have any questions about how the data reflected on the above charts was gathered or if you want a list of employment positions determined to be within the field for any specific program for which statistics are reported above, please speak with an Admissions Representative.

This Fact Sheet is filled with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam pass rates, this Fact Sheet contains the information as calculated pursuant to State law.

Any questions a student may have regarding this Fact Sheet that have not been satisfactorily answered by the Institution may be directed to the Bureau for Private Postsecondary Education at P.O. Box 980818 West Sacramento, CA 95798-0818, www.bppe.ca.gov, P: 888.370.7589 or 916.431.6959, F:916.263.1897.

I have read and understand this School Performance Fact Sheet. The School Performance Fact Sheet was reviewed and discussed with a School Official prior to signing any enrollment agreement.

PERFORMANCE FACT SHEET
2014-2015

West Sacramento Campus

40 Hour – Class P Passenger Commercial Driver Program

PERFORMANCE FACT SHEET
CALENDAR YEARS 2014 & 2015

40 Hour – Class P Passenger Commercial Driver Program

West Sacramento Campus

Complete Rates (includes data for the two calendar years prior to reporting): The completion rates for the Program, as calculated pursuant to California Education Code Section 94919(a), are as follows:

Calendar Year	Number of Students Who Began Program ¹⁰⁵	Students Available for Graduation ¹⁰⁶	Graduates ¹⁰⁷	Completion Rate ¹⁰⁸
2014	0	0	0	N/A
2015	0	0	0	N/A

Students Completing After Published Program Length - 150% Completion Rate

Calendar Year	Number of Students Who Began Program	Students Available for Graduation	150% Graduates ¹⁰⁹	150% Completion Rate ¹¹⁰
2014	0	0	N/A	N/A
2015	0	0	N/A	N/A

Initials: _____ Date: _____ I have read and understand the above completion rates.

¹⁰⁵ The number of students who began the Program who were scheduled to complete the Program within the specified calendar year.

¹⁰⁶ Students who began Program, minus Students Unavailable for Graduation. Students Unavailable for Graduation include students who died, were incarcerated, or were called to active military duty.

¹⁰⁷ Students who began the Program and completed the Program within 100% of the published length of the Program.

¹⁰⁸ Graduates, divided by the number of Students Available for Graduation.

¹⁰⁹ Number of students who completed the program within 101-150% of the published program length.

¹¹⁰ Number of students who completed the Program in the reported calendar year within 101-150% of the published Program length divided by the Number of Students Available for Graduation in the published Program length period.

Placement Rates (includes data for the two calendar years prior to reporting): The job placement rates for the Program, calculated pursuant to California Education Code Section 94929.5, are as follows:

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment ¹¹¹	Graduates Employed in the Field ¹¹²	Placement Rate Employed in the Field ¹¹³	Graduates Employed in the Field an average of less than 32 hours per week	Graduates Employed in the Field at least 32 hours per week
2014	0	0	0	0	N/A	N/A	N/A
2015	0	0	0	0	N/A	N/A	N/A

Initials: _____ Date: _____ I have read and understand the above Placement Information.

¹¹¹ Graduates, minus the Graduates Unavailable for Employment. Graduates Unavailable for Employment refers to students who, after graduation, died, were incarcerated, were called to active military duty, were international students who left the United States or do not have a visa allowing employment in the United States, or continued their education at a postsecondary institution that was either accredited by an agency recognized by the US Department of Education (ED) or approved by the California Bureau for Private Postsecondary Education ("Bureau").

¹¹² Graduates with respect to whom the School received reports that they were gainfully employed within six months of graduation from the Program in a position for which the Program helped them prepare for such positions. These Graduates may have obtained employment in the Field prior to enrolling in the Program, while enrolled in the Program or after graduating from the Program. A list of the titles of the Positions can be obtained from the Career Services Department at the School.

¹¹³ Rate that is calculated by dividing the Graduates Employed in the Field by the Graduates Available for Employment.

Licensure Rates

License Examination Passage Rates (continually administered tests).

Based on students completing the Program within 150% of the published Program length in the report year.

Calendar Year	Number of Students taking the Exam¹¹⁴	Number of Students who Passed Exam¹¹⁵	Number of Students who Failed Exam	Pass Rate¹¹⁶
2014	0	0	0	N/A
2015	N/A	N/A	N/A	N/A

Initials: _____ Date: _____ I have read and understand the above licensure rates.

¹¹⁴ Number of students who completed the Program within 150% of the published Program length and who took the Exam in the reported calendar year for the first time.
¹¹⁵ Number of students who took and passed the licensing exam in the reported calendar year on the first attempt.
¹¹⁶ Calculated by dividing the number of graduates who pass the exam the first time that they take it, by the number of graduates who took the licensing exam for the first time after completion of the Program.

Salary and Wage Information: Pursuant to California Education Code Section 94910, the salary information reported to the School by the Graduates employed in the Field and/or their employers is as follows:

Because of the change in the Bureau's reporting regulations, which became effective on July 14, 2016, this institution was not required to collect the data for its 2015 and prior graduates.

Calendar Year	Graduates Available for Employment	Graduates Employed in Field	Annual Salary and Wages Reported by Graduates Employed in Field ¹¹⁷				Students Not Reporting Salary
			\$20,000 to \$25,000	\$25,001 to \$30,000	\$30,001 to \$35,000	\$35,001 to \$40,00	
2014	0	0	0	0	0	0	0
2015	N/A	N/A	N/A	N/A	N/A	N/A	N/A

Salary and Wage Information - Not Applicable

Neither the institution, nor representatives of the institution, make any expressed or implied claim about the salary that may be earned after completing the education Program. (Reference: 94910 (d) (1) Salary or wage information, as calculated pursuant to Article 16 (Commencing with section 949928), if the institution or a representative of the institution makes any express or implied claim about the salary that may be earned after completing the education Program.)

Student's Initials

¹¹⁷ Approximate annualized salary reported to the School by the student, and excludes other factors that may be part of employee compensation, such as bonuses, incentives and the value of employee benefits. Variables that may affect the amount of the salaries with respect to the Graduates Employed in the Field include, without limitation: (a) each of those graduates' prior experience, performance, work history, work ethic, seniority and/or education; (b) the size of the employer; (c) the industry; (d) the location; and (e) the type of work. A list of the employers of the Graduates Employed in the Field can be obtained from the Career Services Department at the School. Salary information may not have been reported to the School with respect to total of the Graduates of Employed in the Field.

The School DOES NOT make any promise or representation whatsoever to any student or graduate: (1) that the student or graduate will obtain any employment, whether part-time, graduate, education-related, in a field involving the student's Program of study or otherwise, or (2) regarding any career opportunity, position, salary level and/or job title in any employment the student or graduate may obtain whether during school, upon graduation or in future years.
